

Ryarsh Primary School Child Protection Policy Addendum in Response to Covid-19

April 2020 – Version 1

Based on DfE guidance ‘Coronavirus (COVID-19): safeguarding in schools, colleges and other provider’ March 2020:

<https://www.gov.uk/government/publications/covid-19-safeguarding-in-schools-colleges-and-other-providers/coronavirus-covid-19-safeguarding-in-schools-colleges-and-other-providers>

**THE EDUCATION
PEOPLE**

Ryarsh Primary School

Child Protection Policy Addendum in response to Covid-19

Policy Author: Daniel Childs

Date written/Updated: (2nd April 2020)

Date shared with staff: (2nd April 2020)

This addendum will be reviewed following any updates to national and local guidance and procedures and reshared as required.

1. Context

- On 20th March 2020 parents were asked to keep their children at home, wherever possible, as part of the response to coronavirus (COVID-19). Schools and childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.
- The way Ryarsh Primary School is currently operating in response to coronavirus is fundamentally different, however, our safeguarding principles in accordance with 'Keeping Children Safe in Education' (KCSIE) 2019, remain the same:
 - the best interests of children will always come first
 - if anyone has a safeguarding concern about any child they should continue to act and act immediately
 - a DSL or deputy DSL is available
 - unsuitable people are not allowed to enter the school and/or gain access to children
 - children should continue to be protected when they are online
- This addendum of Ryarsh Primary School's Child Protection policy contains details of any amendments to our existing safeguarding arrangements.

2. Key School Contacts

	Name	Email	Phone Number
Designated Safeguarding Lead (DSL)	Daniel Childs	Daniel.childs@ryarsh.kent.sch.uk	School - 01732870600
Deputy Designated Safeguarding Leads	Claire Hale	Claire.hale@ryarsh.kent.sch.uk	School - 01732870600
Headteacher	Daniel Childs	Daniel.childs@ryarsh.kent.sch.uk	School - 01732870600
Chair of Governors	Rachel Rowland	Chairofgovernors@ryarsh.kent.sch.uk	██████████ ██████████████████
Safeguarding Governor	Steve Hill	Steve.hill@ryarsh.kent.sch.uk	██████████ ██████████████████

3. Designated Safeguarding Leads (DSLs)

- Ryarsh Primary School Lead Designated Safeguarding Lead is: Daniel Childs
- Ryarsh Primary School Deputy Designated Safeguarding Lead(s) is/are: Claire Hale
- Ideally a DSL (or deputy) will be present on-site however if this is not possible, a named DSL will be available to be contacted via phone or online video - for example working from home.
 - Should this not be possible then Ryarsh Primary School will share a DSL or deputy from another school, who will be available to be contacted via phone or video call. This person will be Amanda Lavelle (Headteacher at Mereworth Primary School) and her contact number is 01622 812569

We aim to have a trained DSL or deputy DSL on site wherever possible. Details of all important contacts are listed in the 'Important contacts' section at the start of this addendum.

In the event that the DSLs are unable to attend the school, the following process will be implemented:

1. DSLs working from home or needing to self-isolate will be 'on call'. The telephone numbers at the start of the document should be used to contact the DSLs with any safeguarding concerns.
2. Leadership should then identify on the school key worker rota, the most senior member of staff onsite each day to become the 'Safeguarding Champion'. This person will play the role of risk assessing any situation they come across in person on the school site - this will call on their KCSIE training which every staff member has. Should the 'Safeguarding Champion' have any safeguarding concerns, they will refer to the existing child protection policy and follow the necessary processes.
3. If the 'Safeguarding Champion' comes across any safeguarding issues they are to remotely dial into the DSL on call to discuss the case and find a way forward. The DSL will, if the case is serious, work behind the scenes contacting agencies etc to move the situation forward. The 'Safeguarding Champion' is NOT responsible for contacting agencies, the police, social care etc, this is the role of the DSL to lead on (as they would normally do when onsite). In line with escalation procedures, any staff member still has the right to contact social care/children services should they feel the need.
4. Should the DSL need to gain more information from a child or staff member they are able to do so through phone call and video conferencing. The DSL is also able to make calls to parents/carers as and when needed.
5. The DSL will then instruct the 'Safeguarding Champion' of the steps and measures they need to take.

Constants

Any safeguarding concerns need to be reported immediately to the Headteacher.

We will keep all school staff informed by email as to who will be the DSL (or deputy) on any given day, and how to contact them.

We will ensure that DSLs (and deputies), wherever their location, know who the most vulnerable children in our school are.

4. Vulnerable children

- Ensuring that vulnerable children remain protected is a top priority for Ryarsh Primary School.
 - Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans. Please see DfE guidance for further information on [vulnerable children](#).
- There is an expectation that children with a social worker will attend a provision, unless in consultation with the child's social worker and family it is agreed this is not in the best interests of the child. Where parents are concerned about the risk of the child contracting COVID19, professionals will talk through these worries with the parent/carer following the advice set out by Public Health England.
- Children with an EHC plan will be risk-assessed in consultation with the Local Authority and parents and a decision will be made about whether they should continue to attend school.
- Ryarsh Primary School has the flexibility to offer a place to other learners who may also be considered vulnerable by the school. Please contact Daniel Childs (Headteacher) to discuss this further.
- For our children at risk, a 'traffic light' document has been created to identify the families we feel are most vulnerable during the period of school closure. This takes into account those defined as vulnerable in the 'Coronavirus (COVID-19): safeguarding in schools, colleges and other providers' guidance produced by the Government as well other families that we have concerns about during this period of school closures. It also documents how we will keep in regular contact with these families.
- Operation Encompass Emails will continue to be received by the Headteacher. If the Headteacher cannot action these emails, they will be sent to the Deputy DSL.
- Ryarsh Primary School will continue to work with those professionals involved with children and share relevant information with them such as social workers, early help workers and virtual school heads (VSH). This is especially important during the COVID-19 period.
 - This will include information about attendance and any welfare concerns.
 - If there is a safeguarding concern, this will be shared with the relevant professional as soon as possible.
- Ryarsh Primary School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

5. Attendance monitoring

- Local authorities and education settings do not need to complete their usual attendance processes to follow up on non-attendance.
- Ryarsh Primary School and social workers will agree with families/carers whether children in need should attend and Ryarsh Primary School will follow up with family/carers where a child/children are supposed to be attending but do not.
- In all circumstances where a vulnerable child/children does not take up their place, or discontinues, Ryarsh Primary School will notify their social worker and follow up with the family/carer.
- Ryarsh Primary School will also follow up with families/carers that have arranged a place for their child/children, namely keyworkers or children that are considered vulnerable but not open to any agencies and do not attend.

- Staff will continue to work with and support children's social workers to help protect vulnerable children.
- Ryarsh Primary School will complete both the KCC and government daily online attendance form to keep a record of children of critical workers and vulnerable children who are attending school/college.

6. Reporting concerns

- All staff will continue to look out for any signs that indicate a child may be at risk, both on and off site, including online.
 - If a member of staff/volunteer has any safeguarding concerns about a child, this will be reported to the DSL as soon as possible.
 - If the concern is urgent, the member of staff/volunteer will speak to a DSL in person or via phone/video call if they are not on site, immediately.
 - In the event a member of staff or volunteer cannot make contact with a DSL, this will not delay them taking immediate action to safeguard a child.
 - Concerns will be recorded using existing Ryarsh Primary School safeguarding processes as outlined in our Child Protection Policy.
- Learners are encouraged to report concerns via existing *school* systems, or to a trusted adult at home.
- Parents/carers are encouraged to report concerns via existing *school* systems.
- Where staff are concerned about an adult working with learners, they should report the concern to the headteacher.
 - If there are concerns about any member of staff or volunteer, the LADO service will be consulted with.
 - Concerns around the headteacher should be directed to the Chair of Governors.

7. Safeguarding training and induction

- DSL training is unlikely to take place whilst there remains a threat of the COVID 19 virus. For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.
 - Formal DSL refresher training will be undertaken as soon as possible. DSLs will continue to keep their knowledge up to date through other means.
- All existing staff have read KCSIE 2019 Part 1 and accessed safeguarding training.
 - Staff will be made aware if any processes have changed with the sharing of this addendum and the DSL will communicate any changes to local processes directly.
- All new staff and volunteers will have an induction provided via the DSL and will be provided with a copy of the *school* Child Protection Policy and Covid-19 Addendum.
- Staff may move between *school* on a temporary basis and consideration will be given by the DSL as to what induction they need on a case by case basis, dependent on existing skills and knowledge.

8. Safer recruitment

- It remains essential that people who are unsuitable are not allowed to enter the school or gain access to children.
- During Covid-19 if Ryarsh Primary School recruit new staff we will continue to follow the relevant safer recruitment practices.

- If volunteers are recruited, Ryarsh Primary School will continue to follow the guidance in accordance with KCSIE 2019 and Volunteers who have not had the relevant checks will not be left unsupervised with a child.
- If staff from other settings volunteer or begin working at Ryarsh Primary School we will ensure they have a relevant DBS check following DfE guidance at this time. Ryarsh Primary School will risk assess staff from other settings, as we would for a volunteer.
- If staff are deployed from another education setting to our **school**, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:
 - the individual has been subject to an enhanced DBS and children's barred list check
 - there are no known concerns about the individual's suitability to work with children
 - there is no ongoing disciplinary investigation relating to that individual
- In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.
- Ryarsh Primary School will continue to refer to the DBS anyone who has harmed or poses a risk of harm to a child in accordance with KCSIE 2019.
- Ryarsh Primary School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) where appropriate. During the period Covid-19 all referrals will be made by emailing Misconduct.teacher@education.gov.uk.
- Ryarsh Primary School will continue to update the single central record and will log details of any risk assessment carried out on volunteers and staff on loan from elsewhere.

9. Supporting children in school

- Ryarsh Primary School is committed to ensuring the safety and wellbeing of all its learners
- Ryarsh Primary School will be a safe space for all children to attend and flourish. A senior member of staff will ensure that there are appropriate staff on site and that staff to learner ratios have been considered to maximise the safety of children.
- Ryarsh Primary School will follow the current government guidance in relation to social distancing and all matters relating to public health from the respective websites and outlets
- Ryarsh Primary School will ensure that all children who are either categorised as vulnerable or children of critical workers and are in attendance are appropriately supported.
- Ryarsh Primary School will continue to record any support provided to children in relation to safeguarding issues on their respective safeguarding recording system.

Peer on Peer Abuse

- Ryarsh Primary School continues to recognise and respond to cases of Peer on Peer abuse by considering each incident on a case by case basis and basing any intervention on usual processes outlined within KCSIE 2019.
- Ryarsh Primary School recognises that the current circumstances and the changeable nature of current Government guidance may mean that the *school* may need to adapt elements of the process in some cases to ensure that they are able to respond in line with Government advice when required.
- The DSL will continue to consult as appropriate with multi-agency professionals to ensure that children's safety and wellbeing is not compromised when incidents of peer on peer abuse are brought to their attention.

Online safety

- Ryarsh Primary School expectations with regards to online behaviour and education when using *school* provided devices or internet access on site will continue to be implemented in line with existing policies. Any concerns regarding onsite online behaviour or use will be responded to in line with existing policies.
- Ryarsh Primary School will continue to provide a safe online learning environment where learners use *school* provided devices on site; appropriate filtering and monitoring will continue to be implemented.
 - Learners internet use will be supervised by staff according to their age and ability and learners will be directed to use appropriate online resources and tools.
- Use of staff and learner personal devices, including mobile phones, will be managed in line with our Acceptable Use Policy and Code of Conduct policy.

10. Supporting children not in school

- Ryarsh Primary School will continue to ensure the safety and wellbeing of all children and young people that remain on the school roll
- All DSLs will continue to identify those vulnerable children that would benefit from Early Help as identified in KCSIE 2019, provide pastoral support and consider whether they would benefit from external support also.
- There will be clear plans around how best to communicate with learners who are identified as vulnerable, as well as those about whom DSLs have concerns about who do not receive a statutory service.
 - This could include telephone contact and/or doorstep visits but is at the discretion of the DSL.
- Ryarsh Primary School and the DSL will work closely with all relevant agencies and professionals regarding safeguarding a child who is not on site.
 - Any plans will be reviewed regularly and if concerns become significant, the DSL will consider any requests for support if considered appropriate.
- Ryarsh Primary School recognises that this is a difficult time for children and young people who consider school as a safe place and the current situation may impact on learners', staff and parent/carers mental health.
- The school will utilise all of its communication tools such as emails, the school's website and social media presence to ensure that safeguarding messages are shared with children and their families. This will include links to appropriate services and resources that are aimed at supporting them throughout this period.

Online safety away from Ryarsh Primary School

- All staff will continue to look out for any signs that indicate a child may be at risk online and will report and respond to concerns in line with the Child Protection Policy addendum.
 - Where necessary, referrals will be made to LADO, children's social care and as required, the police.

- Learners are encouraged to report concerns to a member of staff or a trusted adult at home. Where this is not possible, additional support can be accessed online via:
 - Childline: www.childline.org.uk
 - UK Safer Internet Centre's 'Report Harmful Content': <https://reportharmfulcontent.com>
 - National Crime Agency Child Exploitation and Online Protection Command (NCA-CEOP): www.ceop.police.uk/safety-centre
- Parents/carers are encouraged to ensure children are appropriately supervised online and that appropriate parent controls are implemented. In order to support the knowledge of our parents in keeping their children safe online, we have sent them all a copy of the presentation that was given on keeping children safe whilst online. This presentation was originally given to parents in February 2020 as part of our school focus on safer internet usage.
- All communication with learners and parents/carers will take place using *school* provided or approved communication channels; for example, *school* provided email accounts, school telephone and our remote learning platform (Google Classroom)
 - Any pre-existing relationships or situations which mean this cannot be complied with will be discussed with the DSL.
- Ryarsh Primary School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.
- Staff and learners will engage with remote teaching and learning in line with existing behaviour principles as set out in our school behaviour policy, code of conduct and acceptable use policy.
- When delivering remote learning, staff will:
 - Only use online tools that have been evaluated and agreed by leadership. At Ryarsh Primary School, remote learning will be delivered using Google Classrooms.
 - Ensure remote learning activities are planned in accordance with our curriculum policies, taking learner needs and technology access into account.
 - Where possible, pre-record content.
- If remote learning is taking place 'live' using webcams or chat facilities, staff and learners will ensure a professional environment is maintained. This means:
 - Staff will record the length, time, date and attendance of any online lessons/contact held or made.
 - Live sessions will involve at least two members of staff where possible.
 - Sessions will not be delivered in any 1:1 situation, unless pre-approval has been given by the DSL and/or Headteacher and the session is auditable.
 - Staff will record any online lessons so they can be audited or accessed later if required; learners and staff should be made aware that lessons are being recorded.
 - Staff will agree online behaviour expectations with learners at the start of lessons.
 - Staff will revisit our acceptable use of technology policy with learners as necessary.
 - All participants will wear suitable dress, use professional language, and ensure backgrounds of videos (live or pre-recorded) are neutral and appropriate.
 - Staff and learners should ensure personal information and/or, inappropriate or unsuitable personal items are not visible.
 - Where possible, other household members should not be in the background or shot; if this is unavoidable, they should follow appropriate language and behaviour expectations.

- If Live streaming, staff will mute and/or disable learners' videos and microphones, as required.

11. Additional support and links

- As well as through existing *school* mechanisms, learners, staff and parents/carers can access age appropriate and practical support and advice via a range of national and local services:
