

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Ben

Penguin Class

We are really proud of Ben and we think that he is a very important member of Penguin Class.

Ben is kind to others and is always happy to play with someone if they are feeling lonely or sad. He rarely makes a fuss or upsets other people.

Ben sometimes lacks confidence in his own ability so we decided that he **definitely** deserves this award to show him that we have noticed how HARD he has been working recently. His handwriting is coming on in leaps and bounds, his reading and phonics knowledge is improving soooooo much and he continues to do really well in his Maths. Ben has been working hard on his writing and has recently produced some great pieces of independent work.

Please keep up the hard work Ben, we would love you to carry on making massive improvements in your learning and maybe even getting your pen license this year?

We know that all of Penguin Class, along with Mrs. Harris, Mrs. Whittall and Mrs. Parfitt are really proud of Ben and his achievements. Congratulations Ben. Keep up the good work and believe in yourself.

Signed - Mrs Harris and Mrs. Whittall
