

## RYARSH AWARD FOR EXCELLENCE

# Chloe

## Penguin Class

We are very lucky in Penguin Class to have so many wonderful pupils that choosing someone for the Excellence Award can be a tricky final decision. However Mrs. Parfitt, Mrs. Whittall and Mrs. Harris all unanimously agree that Chloe is a highly deserving recipient of this award.

Chloe shows all of our school values in abundance! She is polite and respectful to all of her peers and all adults in the school. She is kind and helpful to others at all times and she ALWAYS tries her best! Even when learning can be a little bit tricky or a bit of a challenge Chloe never gives up, she keeps trying to work out a solution. Chloe always listens carefully and is keen to start her work. This has been shown in comprehension sessions with Mrs. Parfitt, when Chloe carefully reads the text and is often half way through the questions before anyone has realised!

Chloe's confidence continues to quietly develop and she is keen to share answers in class discussions, shooting her hand up speedily, ready to share her thoughts or an answer.

It is an absolute pleasure to teach Chloe and have her as an important member of Penguin Class. She is always helpful to adults, and Mrs. Harris often relies on Chloe to tell us which Guided Reading activities each group are doing.

She is kind and thoughtful towards her friends and is always looking out for her sister Sarah, encouraging her at playtimes or when she sees her around the school.

We are certain that the whole of Penguin Class would like to join us in congratulating Chloe on this achievement. She is a model pupil who any teacher in the world would LOVE to have in their class. Thank-you Chloe for all your hard work as well as being the truly lovely person that you are :-)
