Newsletter: Term 2

Dear Parents/Carers

Just before we start to talk about a new term, I would like to say well done to all Dolphins for settling into school so well! This term has been a fantastic one and we wish everyone a lovely holiday.

Next term is always great fun, if rather busy! Our topic next term is 'All about me' and obviously 'Christmas'. We will provide you closer to the time with details about Christmas parties, production dates etc, but please come and see one of us if you need a bit of clarification.

In preparation for our topic 'All about me', would it be possible for your child to bring in a picture of when they were little, either a baby picture or toddler picture AND a current picture of them with who they live with. Original copies are not necessary so if you could come in with a copy of the picture that would be good. If you do not have access to a scanner/photocopier, when we come back to school, we can take copies of your picture for you. If we could have these brought in on the first day back to school, which is the 2nd November that would be lovely! Thank you.

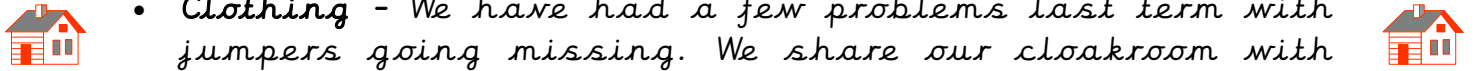

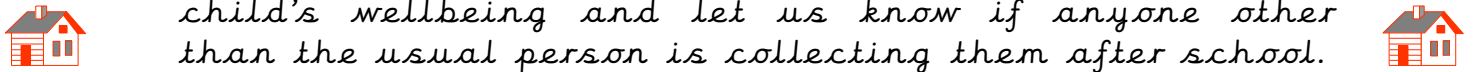

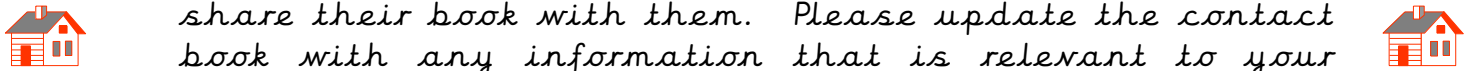

IMPORTANT MESSAGES:

- **Photos** - reminder: 1. Baby/toddler picture
2. Current picture of your child with who they live with.
- **Nativity** - Towards the end of the term we will be practising and performing our nativity. We will send notes out closer to the time letting you know what your children will need to be wearing and also about tickets for the performances.
- **Learning journals** - Thank you for all your lovely comments and work in the learning diaries. The children really enjoy showing us what they have done at home and it is delightful to see what you have been up to.
- **Contact books and reading books** - Please ensure your children bring in their contact books and reading

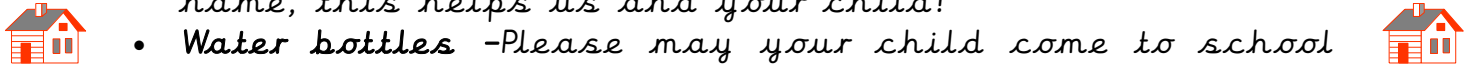

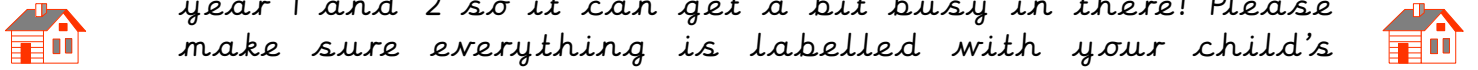

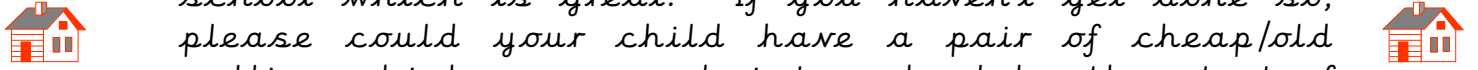

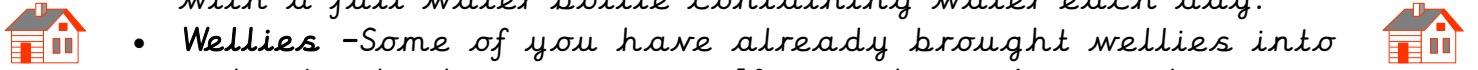

book everyday, even if you've not had a chance to share their book with them. Please update the contact book with any information that is relevant to your child's wellbeing and let us know if anyone other than the usual person is collecting them after school.

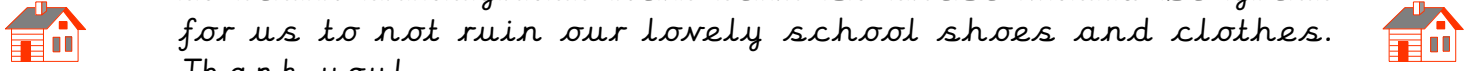

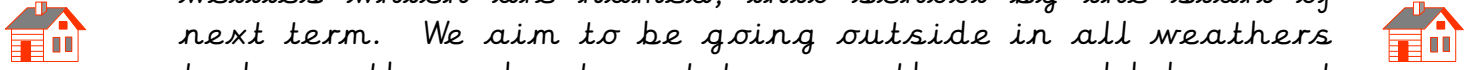

- **Clothing** - We have had a few problems last term with jumpers going missing. We share our cloakroom with year 1 and 2 so it can get a bit busy in there! Please make sure everything is labelled with your child's name, this helps us and your child!

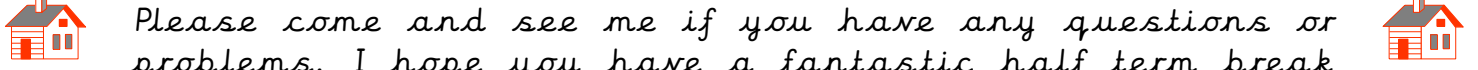

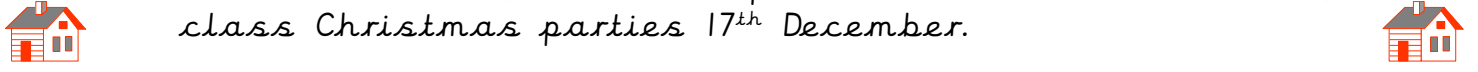

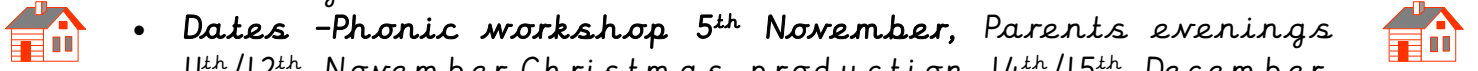

- **Water bottles** -Please may your child come to school with a full water bottle containing water each day.

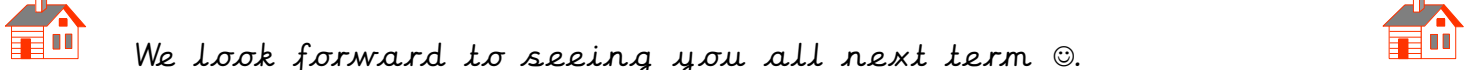

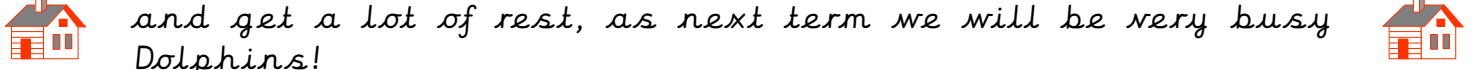

- **Wellies** -Some of you have already brought wellies into school which is great. If you haven't yet done so, please could your child have a pair of cheap/old wellies which are named, into school by the start of next term. We aim to be going outside in all weathers to learn throughout next term so these would be great for us to not ruin our lovely school shoes and clothes. Thank you!

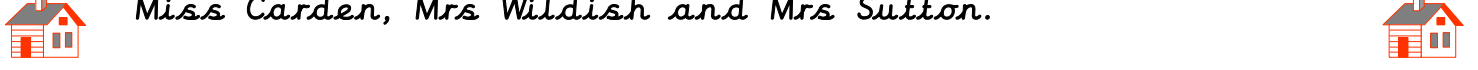

- **Dates** -Phonic workshop 5th November, Parents evenings 11th/12th November, Christmas production 14th/15th December, class Christmas parties 17th December.

Please come and see me if you have any questions or problems. I hope you have a fantastic half term break and get a lot of rest, as next term we will be very busy Dolphins!

We look forward to seeing you all next term ☺.

Miss Carden, Mrs Wildish and Mrs Sutton.
