

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Harry

Dolphin Class

It is our pleasure to give Harry the excellence award this term for his continual enthusiasm and effort he puts into all aspects of school.

During learning time Harry has tried very hard to improve his reading and numbers. He has learnt so much since he has started and his ability to persevere and have a go at all tasks is something he should be very proud of. Although he might find learning difficult at times he has really learnt to keep practising and keep going. He is a true example that working hard is beneficial. In English Harry has really tried hard to work independently to write his sentence, and segment his words for writing, and he has come on so well. In Maths he now knows and recognises all his numbers to 10 and is nearly confident with numbers to 20, and we are so proud of him for this achievement. Through his sheer determination in all areas of learning Harry has progressed well and we in Dolphin Class know he will keep succeeding if he continues to work so hard.

Not only should Harry be awarded and recognised for his learning achievements, but for the fact he is a lovely, bright and caring friend to others. He is always wanting to help keep the classroom tidy, being a wonderful smiley member of Dolphin Class. It's been so lovely to teach Harry and we are so proud of all his achievements. Well done Harry!

Signed - Miss Carden
