

Dear Parents / Carers

Our next charity day is fast approaching and The School Council have decided to support a local charity, The Heart of Kent Hospice, based in Aylesford, for their next event.

We would like children to bring into school a real flower, draw or make a flower along with a donation during week beginning 27 March. We will be making a display with these items in the school reception area to celebrate the fantastic work that the Hospice do, please pop in to have a look.

The week will end with a cake sale on the playground during morning break on Friday 31 March and any cake donations would be welcome, and can be brought into school on the Friday morning. Cakes will be on sale for 50p.

The school council would like to thank you in advance for supporting this very worthwhile charity.

Ryarsh School council
