## RYARSH AWARD FOR EXCELLENCE

# Isabella

## Leopard Class

I'm thrilled to give the Excellence Award for Term 5 to one of the all round nicest, kindest and funniest members of our class. I don't think I have ever seen Isabella without a smile on her face and her sunny personality is an absolute asset.

Isabella is conscientious and gives every task she comes across her absolute best effort. She embodies our school values in her good manners, independence and the pride she takes in her learning. Isabella's books are always beautifully presented and she takes great care with her work.

Isabella is an excellent reader, fluent and expressive and it's always a joy to listen to her read. She enjoys discussing books and particularly learning facts from non-fiction texts. Her writing is detailed with excellent vocabulary. She recently earned an HTA for an amazing formal letter written in the character of a teacher (maybe she could take over writing the class reports this year!). I have been really impressed with her resilience and independence in her Maths learning. She is always keen to try the next challenge and to keep improving. After persevering for a long time, she finally reached the times tables summit—a just reward for her hard work!

I know that Leopard Class would agree that Isabella is a kind and helpful friend to everyone. Thank you Isabella for always managing to put a smile on my face—it's a true pleasure to teach you!
