Autumn Term 2 2015

Term 2 already! The children have made an excellent start to Year 5 and have worked hard on their learning. We have had an interesting term with our Music at Malling performance, Greek Day, class assembly and even working on improving the outside learning environment. Thank you for all your support at this point in the year!

Curriculum

We have really enjoyed finding out more about Ancient Greece - we have already looked at timelines, maps and place names, Greek gods and religion, the Olympics and the Greek city states. We'll be moving on to finding out more about the Greek soldiers (or hoplites) and some of the famous battles. We will look at some of the Greek legends and find out more about daily life including education.

Topic	Ancient Greece
Science	Materials - properties and changes
RE	Christianity - Bible and beliefs
Art	Print making
Computing	Using art packages
PE	Gym/ball skills
Music	Don't stop believin'
PSHCE	Getting on and falling out

We were very sad to say 'goodbye' to Mrs Hendricks at the end of term 1 but look forward to welcoming Mrs Cade to work with us from term 2 onwards! Our first Parent Consultations are on 11th and 12th November.
