RYARSH AWARD FOR EXCELLENCE

Martin

Orang-utan Class

Wow! What a great start to 2017 Martin has had! He started the new term with such a positive attitude and this has gone from strength to strength.

At the beginning of this term Martin stood out as having a fantastic attitude towards all of his work; it was clear that he had set himself a goal to put 100% effort in to his class-work, which he has kept to. His 2017 attitude has proven to be a good role model for others to follow.

In Lessons Martin will always listen carefully and apply himself in order to gain a good understanding of the work covered. He has developed his Growth Mindset strategies in order to dive right into his work, explore ideas and make improvements. This has been particularly evident with some of his written work based on Macbeth.

Martin can always be trusted to be a positive member of any groups he is working in; he listens to others, ensures all are included and is able to support and lead others. He continues to enjoy being a member of year 6 and the nurturing roles which this entails, he is a great buddy and often can be seen looking after younger children both in school hours and at After School Club.

Martin continues to be a great team player; it was great to hear of his recent success with his football team; as well as being great at sport he demonstrates great sportsmanship.

This is a very well deserved award which I am sure Martin will be very proud of; and I am sure that he will continue to shine in 2017, keep up the hard work and positive attitude Martin.
