RYARSH AWARD FOR EXCELLENCE

Aurelia

Penguin Class

Aurelia is a very well deserving recipient of this award. She is what some may describe as 'the model student' and it is an absolute pleasure to have her in Penguin Class.

Aurelia always listens carefully in lessons and is often the first to stop and listen when a teacher asks for attention. She sits on the carpet quietly, listening to instructions and trying hard to take on board new concepts that are being taught. Aurelia always tries her best, and more recently her confidence has started to really grow and this has helped her with her learning. She is keen to do well and perseveres even when work gets a little tricky at times.

Aurelia is always keen to do her best and enjoys doing extra work at home. Our whole class LOVED watching her Great Fire of London news report, in fact we watched it about five times! We also enjoyed hearing about her new kitten/cat, which she showed us photos of and had written lots of very interesting facts about. It is no ordinary cat—you should ask Aurelia to tell you about it!

Aurelia likes to practise her learning when she has a spare few minutes and can often be seen practising spellings or her times tables. She even said to me the other day 'Is there any extra work you can give me that could help me with my learning?' - the kind of question that teachers dream of hearing!

We are all really proud of Aurelia and the progress she has made so far this year. She is keen to do well and tries hard with all aspects of her work. On top of this she is a very kind and caring member of our class and will always look after someone who is upset or hurt.

The reason we chose Aurelia this term is because all of her wonderful qualities that we have described are consistent. She tries her best 100% of the time, every day of the week, every week of the year.

Well done Aurelia—you really deserve this award :-)
