

RYARSH AWARD FOR EXCELLENCE

Ria

Lion Class

Ria is VERY deserving of this award and I am sure that the whole class will agree with the many reasons which have contributed to her being our choice this term.

Ria always puts 100% effort into her work, and her work clearly reflects this. She takes a great deal of pride in her work and always goes beyond what is expected of her. Her growth mindset is remarkable. She takes feedback on board and uses this to make her work even better. Her work is always a pleasure to read and mark, I really look forward to marking Ria's work.

On top of Ria's academic achievements in lessons, there is something possibly more important that we would like to comment on, and that is what a kind and thoughtful member of the class she is. Ria is always kind to others and is the first to offer to play with or help someone who may be feeling sad or lonely. She is such a great model to Ryarsh Primary School.

In addition to this we would like to thank Ria for all of her help with jobs, from putting away laptops and ipads, to giving out times table folders, tidying pencil pots, the list goes on and on! We can always rely on her to carry out these jobs in such a sensible and responsible manner.

She has been an excellent member of the School Council, so mature and helpful. Mrs Jennings always speaks so highly of you and your mature attitude. Mrs Jennings always comments on how helpful Ria is and appreciates all her hard work.

Thank-you Ria for being an absolute SUPERSTAR. You are a pleasure to teach and have in our class. You are a ray of sunshine and brighten up our day!

Well done Ria, we are so proud of you! I cannot wait to see what Terms 4, 5 and 6 bring!

Signed - Miss Snow
