

# Jack and the Beanstalk

Seahorse Class Newsletter: Issue 5 March 2017

Dear Parents,

Another term has flown by and the children in Seahorse Class can be proud of some fantastic work this term! (Particularly some AMAZING writing!)

During the holidays please spend a little time keeping up with reading as our Phonics Screening will be taking place at the beginning of term 6.

This term our new topic will be titled 'Jack and the Beanstalk' with a big English focus on traditional tales, the original Jack and the Beanstalk, and on alternative versions of the tale. Where possible our maths will link to Jack and the Beanstalk and other fairytales. We will be growing our own plants in our outdoor area in Science and will be conducting fieldwork of our local environment in Geography.

You can find an overview of the topics covered in each subject area on the bottom of this letter.

## IMPORTANT MESSAGES:

- Please ensure your child brings a rainproof coat to school each day, the British weather can be very changeable!
- Don't forget the children need water to drink throughout the day especially when it's hot! **Please** remember their water bottles everyday (**marked with their names!**) Please note that children are **not allowed** to bring juice, squash or any other drink in their water bottle.
- We will be doing PE on a Wednesday and Friday this term, but please ensure your child's PE kit is in school everyday, especially with extra sports day practice this term.
- Please email with any information that is relevant to your child's wellbeing. ([anna.lucas@ryarsh.kent.sch.uk](mailto:anna.lucas@ryarsh.kent.sch.uk))

If you have any questions or issues you would like to discuss, we will be out on the playground after school. Alternatively, you can use the contact book or make an appointment to see me at a mutually convenient time.

We are really looking forward to the better weather next term and having lots of fun in all areas of our learning!

**Miss Lucas, Mrs Eames  
Mrs Sutton and Miss Lucas**

History	Castles
Geography	Key human and physical features of surrounding environment (Ryarsh)
