

## RYARSH AWARD FOR EXCELLENCE

# Sebastian

## Penguin Class

Sebastian is a very well-deserving recipient of this award. To show you why we have chosen him we have decided to outline a 'usual' day in the life of Sebastian in Penguin Class at Ryarsh Primary School.

- 8.40am Sebastian arrives in class calmly and quietly with a smile on his face. He immediately sits down to start his Registration task, which he does quietly and carefully. Once complete, he usually becomes engrossed in a book, silently reading to himself only pausing to answer the Register.
- 9.05am Sebastian sits on the carpet ready for his learning. He listens carefully and works on his whiteboard effectively, never fussing about his board-pen, just sensibly getting on with his work. He is keen to work out answers and answer questions. When he goes to his place to start his independent learning, he gets started straight away (not chatting or messing around) and completes his work.
- 10.05 Assembly Time. Sebastian sits sensibly, listening to the adult leading and joining in with singing. He can always be relied on to behave well.
- 10.20 Sebastian goes out to play a fun game of champ or man hunt with his friends. He always gets on well with his friends and asks a teacher to help if there is a problem.
- 10.35 Sebastian comes in ready for more learning. He listens carefully and works hard. He works hard in every lesson—just occasionally needing to be reminded to take care with the presentation of his work.
- 12.15 Sebastian goes off for lunch with his friends. He gets on well with every one, including anyone who may feel sad or lonely. He is always polite to adults he meets around the school.
- 1.15 Sebastian comes in after lunch ready for more learning.
- 3.15 As Sebastian leaves to go home, he knows that he has had a good day and politely says good bye and goes to meet his Mum and brothers.

It is an absolute pleasure to have Sebastian in our class. He is keen to learn (he keeps practising his times tables at home—determined to get on to the next level), he is polite and shows respect to everyone, he is a good friend and he is a fun and kind person. We are very proud of the progress Sebastian has made this year. Keep up the great work!
