

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Sophia

## Seahorse Class

This term's Excellence Award is thoroughly deserved by Sophia, she has worked so hard for the entire year and all of her efforts are certainly paying off! Sophia practically skips into school of a morning, usually clutching an amazing picture or ready to regale us with a story! (I must say, disappointingly the pictures are usually destined for Mrs Eames...boo hoo! Just joking!)

Sophia has worked determinedly over the last few terms, reading at least four books per week to improve her reading! She has in fact improved her reading so much that she is now a free reader, and a jolly good one at that! Sophia listens beautifully in class and is growing more and more confident each day. She now offers her own opinions and ideas in class and is always one to be relied upon to recall previous learning!

Sophia is a lovely friend to her peers, she really looks out for her friends and goes over and above to look after children if they are hurt, sad or lonely.

Sophia takes pride in everything she does, and beams when given stickers, head teachers awards or certificates, and so I simply cannot wait to see her face today when she realises that she is the superstar Seahorse and winner of this term's Excellence Award. Well done Sophia!
