

1 February 2017

Dear Parents

### Parent/Teacher Consultations

We look forward to welcoming you into school for next term's parent/teacher consultations. As always, these meetings are an important part of building home/school partnerships to support our children's learning.

Parent/teacher consultations will take place on **Wednesday 1 March** and **Thursday 2 March**, in order to give you the opportunity to discuss your child's progress with their teacher.

Your child's books will be in the corridor outside their classroom. May I suggest you arrive about 10 minutes before your appointment time in order to look through their work. You will be allocated a 10 minute appointment on this occasion, although a further appointment after school can be made if required.

Parents of children in **Year 5** will be allocated a **15** minute appointment to allow time to discuss the results of recent CAT tests, as well as secondary school options and 11+.

Please indicate on the attached slip the day and approximate time that would suit you best. It is particularly helpful if you are able to give us a choice of day. We would appreciate the return of all slips to your child's teacher by **Friday 10 February**.

Yours sincerely

Ruth Austin  
Headteacher

**RYARSH PRIMARY SCHOOL**
