

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Taneka

Koala Class

We have been extremely impressed with how Koala Class have quickly settled into life in Year 4 that there were so many possibilities on who we could choose to give this award for Excellence to. However, one person has made a truly exceptional start to year 4 and very quickly stood out for many different reasons.

Firstly, Taneka has a super work ethic. She approaches every single lesson with determination and curiosity. She is very inquisitive and always wants to find out more by often asking some excellent questions or by carrying out her own research to take her learning even further. During lessons, she is not afraid to take risks with her learning. Taneka never hesitates when it comes to taking herself out of her comfort zone. She has great patience and perseverance and fully understands that just because she may not be able to do something right now, it doesn't mean she won't be able to do it in the future. This is a great quality to have and will help Taneka to continue to learn in all subjects throughout the year.

Taneka is a great friend to others and is a considerate and compassionate member of Koala class. She will always be "the buddy" to ask if one of her friends is stuck on a piece of work as she enjoys watching other people succeed too! What is really impressive is that Taneka will often help those around her without being asked, just because she is a very kind and thoughtful person. She has super manners and a positive attitude and is always on hand to help, with a large smile on her face. It's not quite a Koala morning without Taneka walking through the door with a beaming smile and a spring in her step.

Congratulations on such a wonderful start to year 4 and all the teachers in Koala Class look forward to helping you develop and grow as the year goes on. Well done Taneka!

Signed - Mrs Crozier & Mr Childs
