RYARSH AWARD FOR EXCELLENCE

Robyn

Seahorse Class

Robyn has grown from strength to strength this year and is growing in confidence daily. This is such a pleasure to see, and it is now that we feel she is modelling all of the traits and strengths of a Ryarsh Excellence Award Winner!

Robyn is hard-working and incredibly determined. When she puts her mind to a task there is little we, or any of her classmates can do to disrupt her focus to achieve, which, at this age, is an incredible strength to hold. Robyn listens well and although not always one to make her voice heard, she contributes valuably and wisely to class and group discussions. If asked to volunteer an answer she is usually sat waiting, with a clear and sensible answer waiting.

Robyn is a very keen author, and again, when inspired, she will write reams of high-quality, wonderful work! I often find myself sneaking a peak at her phonics home learning book to re-read her incredible version of George's Marvellous Medicine that her Daddy tells me took lots of dedication and perseverance (by them both!)

Over the course of the year, so far, Robyn has really developed her social skills and now plays happily with a broadening range of her peers. She is communicating her likes, dislikes and feelings more readily and as mentioned before, has transformed in her levels of confidence.

Robyn, we are very proud of the way that you conduct yourself, uphold school values and work hard, and cannot wait to see what else you can achieve this year! Well done.
