

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# William

## Orang-utan Class

Term 5 in Year 6 is one that needs a whole heap of dedication, hard work and a positive attitude; Will has demonstrated all of this and should be very proud of himself.

In recent months Will has really matured and has taken a real ownership of his work and behaviour – both in and out of the classroom. During lesson times Will has been knuckling down, listening to advice and striving to do his very best. When working in small groups or pairs his positive attitude, focus and the respect he shows for the ideas and work of others, means that he is always a valued member of these groups. He is enthusiastically sharing his suggestions in whole class discussions and is putting that little-extra thought and depth to his ideas; again showing how much he is maturing into a great young man!

Will is a great role model to others; his exemplary manners and kind and caring nature make him a valued member of Year 6. He can often be spotted at lunch time and during After School Club looking after younger children and has, throughout the year, been a fantastic buddy. Thanks to Will, teachers promptly have their registers every day – these are always delivered with a cheery greeting which starts the day off quite nicely!

This term has also seen the start of Running Club which, with his friends, Will has made a real success of. I know that many children are enjoying taking part in this club which the boys have set up and run.

This Excellence Award is well-deserved. I look forward to seeing Will enjoy his last term at Ryarsh School and continue to shine in all of the exciting plans we have for term 6!

Well done Will – keep up the hard work and positive attitude!
