

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Daisy

Koala Class

This term, we had an obvious recipient for the Ryarsh Award for Excellence. Since joining Koala Class in September, Daisy has been on a fantastic journey both with her school work and her overall confidence. We really like the fact that she comes into the classroom everyday with a cheery, enthusiastic smile and often with a story to share!

What has impressed us with Daisy is her motivation to try her best, even when her learning takes her outside of her comfort zone. Some children might give up, but Daisy is always determined to see something through rather than give up. It is those moments when she steps outside of her comfort zone where she produces some really creative and unique pieces of work—especially in our recent "The Lost Happy Dreams!" unit.

Daisy is a very caring person who we can honestly say tries her very best to uphold the school values. She is considerate towards her friends and will always offer a lending hand to teachers and friends alike.

We are really proud of how hard she has worked this term and the work that she has produced and she should be too!

We look forward to seeing what she achieves next.

Well done Daisy!

Signed - Mr Childs Mrs Crozier
