## RYARSH AWARD FOR EXCELLENCE

# Jasmine

## Koala Class

We are both absolutely delighted to be giving this award for excellence to Jasmine, as she has had a super first two terms in Koala Class. Her positive attitude towards school - combined with her desire to learn and great work ethic - means that she has made some tremendous improvements in her learning this year. Jasmine takes great pride in her learning, always striving to do that little bit more. Jasmine always makes sure that her work is wonderfully presented. She really pays attention to the finer details and these all add up to showcase excellent examples of learning across a range of subjects.

In maths, Jasmine is not afraid to work hard and take herself out of her comfort zone. She is becoming very skilled at learning from mistakes and sets a great examples to her peers in the way that she never seems to get upset when learning gets a bit tricky. Instead, you will often find Jasmine working even harder with a determined look on her face in order to succeed! Her positivity rubs off on those working around her and can really inspire other members of the class.

We are always really keen to read Jasmine's English work. She has some wonderful ideas and uses some super language to try and paint a picture in the mind of the reader. Her recent writing on Moz the Monster was full of creative ideas and was an absolute joy to read.

Whilst Jasmine has excelled in the classroom over the last two terms, it is important to recognise what a great friend Jasmine is to others. She is a considerate and compassionate member of Koala class. Her calm personality means that she has great relationships with everyone who works with her! Jasmine has super manners and a positive attitude and can always be relied upon to lend a helping hand.

Well done and congratulations Jasmine for achieving this award. We all look forward to seeing what you can achieve throughout the rest of the year.
