

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Khaled

Orang-utan class

This term's Excellence Award goes to a young man who shows all of our School Values every day and has been a valued member of the school community.

It has been a pleasure to have Khaled as a returning member of the class, we are very pleased that he is back! Each day Khaled works incredibly hard to do his best, to solve problems and deepen his learning.

Khaled will listen to advice in order to improve his work and to add depth to his ideas; he increasingly enjoys the challenges of the 'what if..?' questions and can come up with some very interesting ideas – as with his ideas about developing an alarm system!

Throughout this term Khaled has been a great ambassador for the school; he has enjoyed being a tour guide for prospective parents and was named in the feedback forms as being very polite and helpful. These are 2 words which always can be applied to Khaled! He is also a great buddy and can often be seen supporting the younger children. When visiting another school Khaled was again a great representative of our school – being smart, polite, engaged and supportive towards others.

It has been great to see Khaled become more and more settled back into school life at Ryarsh and to witness his confidence growing with this. We are very lucky to have him!

Well done Khaled – this is a very well deserved award! Keep up the hard work and positive attitude!
