

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Kitty

## Penguin Class

The excellence award this term has been a pleasure to pick. Kitty has tried very hard since being in Penguin Class and her improved confidence has had a positive impact on her achievements in all areas.

It is a real delight to have Kitty in our class. Even though she is a very shy member of the class she always greets you with a lovely smile in the morning and is cheerful, helpful and a joy to have around. She will always help other people, whether that be another child or an adult. She is extremely kind and really cares for others. Penguin Class are lucky to have her!

Kitty has been 'wowing' all the adults in Penguin class with her reading. She is determined to improve her reading skills so practises frequently and enjoys settling down with Mrs Parfitt several times a week to share a good book.

Kitty can be relied upon to contribute during class discussions. She always listens carefully on the carpet, setting an excellent example to the rest of the Penguins. What has been evident this term is her developing Growth Mindset. She has begun to work a lot more independently and even if she finds a task tricky she will keep at it and not give up.

This is a well-deserved award. We look forward to seeing Kitty continue to develop academically and personally through the rest of the year,. Well done Kitty, you should be super proud of yourself, as we certainly are.
