

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Sienna

Leopard Class

Once again, it is time to make the very tricky choice of an Excellence Award winner for Leopard class. Mrs Taplin, Miss Lucas and I all agree that Sienna truly deserves to be awarded for being excellent!

Firstly, Sienna's positive attitude shines through each and every day. She will always come into class with a super smile on her face and this continues throughout the day.

We are very proud of her confidence both inside and outside of the classroom and this translates to her superb independent work in all lessons. Sienna now tackles each new topic with no panic (especially in maths), endeavouring with great results.

She takes responsibility for own learning and will always challenge herself...She has stopped breaking the laptops too!

Keep up the great work and especially the daily smiles—I'm looking forward to seeing how much further you progress during Year5!

Signed - Miss Jones
