

Home Learning

'The Lighthouse Keeper's Lunch.'

In terms 3&4 we will be learning about lighthouses and lifeboats!

The home learning for this topic is optional. Please complete the task/s that your child is interested in.

If you choose to complete the tasks with your child, please send them into school by:

Friday 23rd March 2018

- Visit a lighthouse with your family or friends. Dungeness and South Foreland are nearby. If they are closed, you could look at the outside and surrounding coastal area. In addition, you could even take some art materials and create a picture using materials of your choice!
*****MOST LIGHTHOUSES CLOSE IN THE WINTER SEASON SO CHECK BEFORE YOU PLAN TO VISIT!*****
 - Find out a little bit about who Grace Darling was, you could make a poster or factfile about her.
 - Draw or paint a portrait of Grace Darling. You could look for a picture of her on the internet or in a book.
 - Write character descriptions of Mr and Mrs Grinling (The Lighthouse Keepers Lunch). Describe what they look like and their personalities.
 - Go on a picnic! Make a healthy picnic lunch like Mrs Grinling. What did you make? What did it taste like? Draw it or photograph it, you could even write a picnic menu.
 - Design a picnic basket to hold Mr Grinling's Lunch.
 - Why do lighthouses need lights? Go for a walk in the dark with an adult. Take a torch. What can you see? What can you hear?
 - Make your own lighthouse/coastal scene in a shoebox!
-

Please hand in all pieces together on the date stated above. Please cut along the dotted line and attach this slip to your child's work.

Child's name; _____

The activities chosen are:

- 1.
- 2.
- 3.

Thank you – Have fun!
