

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Mia

Dolphin Class

When thinking of who has been excellent all term, it was easy to pick Mia for this award. She has been a fantastic learner all term and should be recognised as an excellent Dolphin.

Mia has shown a passion for learning this term which proves that effort and concentration can really help you succeed in your learning. During learning time Mia's writing has improved so much, and she now independently has a go at writing, using her letters and sounds to help her. She remembers her finger spaces and produces very neat cursive letters. It is such a pleasure to see Mia's writing and we are very much looking forward to seeing this develop throughout the rest of the year.

Mia also tries very hard with her Maths and has been answering addition and subtraction number sentences. She tries very hard with this and always perseveres with her learning.

Mia is not only a fantastic learner, but a brilliant friend to others in Dolphin Class. She always listens and plays really nicely with her friends. She is a fantastic helper to Miss Carden and will go around the classroom making sure the kitchen and other areas are tidied up well! You have been a superstar so far Mia and we are looking forward to see your continual progress for the rest of the year. We are all so proud of you!

Signed - Miss Carden
