

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Oliver

Leopard Class

This term, we have had a very easy decision in choosing a fantastic member of Leopard Class to award for being excellent!

Oliver has impeccable manners; both inside and outside of class. He is a wonderful example of how to embody the school values in all aspects of school life. Oliver will always offer help to those who need it—whether it is a clear explanation of a tricky topic to his classmates or to the teachers whenever a computing issue may arise... If Oliver can't solve it, it's a computing disaster!

Oliver's work ethic has always been great but what has really impressed us recently has been the way he is really trying to go beyond the already high expectations placed on him. Through his determined approach, he has been able to produce some fantastic reasoning in maths which showcases a high level of learning. Oliver is always happy to share his learning and understanding; if he can relate it to Pi—even better!

π

even made its way into his mosaic sketch of Zeus!

We look forward to seeing how far Oliver continues to challenge himself for the rest of the school year.

Signed - Miss Jones
