

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Taylor

Penguin Class

We are all very proud of Taylor and feel that he is a very worthy winner of this award. All the adults have noticed how hard Taylor has been working on all aspects of his learning since he has been in Year 2. His handwriting has transformed into neatly, joined writing which is a pleasure to read. His Maths work is always excellent and he is whizzing up the Times Table Mountain at a sprint pace. Penguin Class have only been working on their Times Tables since the start of this term and Taylor has got full marks every week so far!

Taylor is keen to improve his work and always listens carefully to advice and acts on it, trying to get better and better in each lesson. Recently he mastered subtraction when exchanging a 10. In the first lesson he found it hard, but after following Mrs. Whittall's advice, he got full marks in the next lesson :-)

Taylor is a kind and friendly member of our class. He is always keen to join in with class discussions and makes sure he listens to others as well. He thinks carefully about his ideas and answers and puts them across clearly.

Taylor is a keen sportsman and recently represented the school in a multi-skills event in which the team came second. He is always enthusiastic in PE lessons and is always willing to give new sports and skills a try. He has recently developed his skills in tag rugby—proving to be very good at getting other people's tags in games!!

We are very proud of Taylor's achievements and we know that with his positive attitude he will continue to make great progress. We have an added surprise for him today as we feel that due to his hard work on his handwriting, he has earned his pen! Many, many congratulations Taylor. Keep working hard and being the lovely boy you are.

Signed - Mrs Harris and Mrs Whittall
