RYARSH AWARD FOR EXCELLENCE

Anne-Marie

Lion

Anne-Marie is VERY deserving of this award and I am sure that the whole class will agree with the many reasons which have contributed to her being our choice this term.

Anne-Marie always puts 100% effort into her work, and her work has gone from strength to strength because of this. She now takes a great deal of pride in her work and always goes above and beyond what is expected of her. She takes feedback on board and uses this to make her work even better. The improvement in her handwriting is remarkable and unrecognisable!

Anne-Marie is an extremely kind and thoughtful member of the class. She is always kind to others and is the first to offer to play with or help someone who may be feeling sad or lonely. Only joining our school in September, she settled into Lion class so quickly and it feels like she has always been here. We are so lucky to have her.

In addition to this we would like to thank Anne-Marie for all of her help with jobs in the classroom, we can always rely on her to carry out jobs in such a sensible and responsible manner.

Thank-you Anne-Marie for being an absolute SUPERSTAR. You are a pleasure to teach and have in our class. You are a ray of sunshine and brighten up our day! Your smiles and cheerfulness are infectious.

Well done Anne-Marie, we are so proud of you! I cannot wait to see what Terms 5 and 6 bring!

Well done :-)
