

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Harley

## Seahorse

Since arriving at Ryarsh Primary School, the superb behaviour and dedication to learning has continued to impress me which I thought may make selecting someone from Seahorse Class for the 'Excellence Award' quite tricky. However when the adults in our class started to think about a worthy candidate, Harley's dedication and commitment to, not only his learning but to the Ryarsh Primary School Community certainly stood out, making the decision a fairly easy one.

Throughout the term, Harley has been such a hard working seahorse and this is shown in the superb progress Harley has made in all areas of his learning. Harley takes such pride in his work, meaning it is always beautifully presented. Harley is constantly looking for ways to improve and takes on board feedback from his teachers and peers to move his learning forward. What a fabulous example of applying those growth mindset strategies Harley.

Harley is such a great role model, consistently promoting our school values and is an absolute pleasure to teach! He is always seen with a smile on his face, he is polite and never forgets his manners. Harley can always be counted upon to make the right choices in class and he is as proud of his own achievements as we are!

Harley's commitment to learning continues with his beautiful home learning and dedication to reading at home, even reading to his dog. Harley has also shown great sportsmanship throughout the term, being so supportive of his peers and consistently trying to improving both in his athletics and in his dance.

Harley, thank you so much for being such a super Seahorse! Keep up the hard work, you are super!
