RYARSH AWARD FOR EXCELLENCE

Harry

Orang-utan

This term's Excellence Award is very well deserved – during discussions about who it should go to, all of the adults who work in Orang-utan Class were in absolute agreement.

It has been a pleasure to teach Harry throughout the year; he is a cheerful, kind, polite and caring young man who always has a smile on his face and makes a positive difference to those around him. If manners could be measured he would be off the scale!

During this term Harry's work has come on in leaps and bounds – some of his work in maths has been rather fantastic! This is due to his positive attitude, hard-work and perseverance; Harry has such a great Growth Mindset which has really supported his learning. He has also completed some great English work – his persuasive writing demonstrates how his skills have really come on, well done Harry! Throughout all of his learning Harry has grown in both confidence and independence.

Each day Harry's positivity fills the classroom; he always has a bright smile and a friendly word. Harry is a great friend to everyone in the classroom and will give support to anyone around him who he sees is in need of a little encouragement. On more than one occasion (in fact, quite regularly!) Harry receives votes for 'Classmate of the Week' for being a good sportsman, being fair and looking out for others – which goes to show how well thought of he is by his classmates. Harry is also a fantastic role-model to other children; as well as being a great buddy he gives support and encouragement to younger members of the school during clubs, sporting events and shared learning experiences. He is a real asset to Ryarsh School – he proudly demonstrates all of our school values!

I am looking forward to seeing Harry enjoy the rest of year 6 and to see him embrace all of the challenges, projects and fun which that might involve.

Well done Harry – you are a superstar!
