

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Kitty

Leopard Class

This term, Mrs Taplin, Miss Lucas and I have had a very easy decision in choosing a fantastic member of Leopard class to award for being excellent.

Throughout the school year, Kitty has amazed us all with how much she has grown in confidence both in and out of the classroom and she now tackles tasks with increasing independence and effort. Kitty's recent writing about Street Child is testament to her wonderful attitude and newfound confidence in her own abilities. Her independent use of adjectives and adverbs is fabulous and she has really shown insight into the motives and emotions of the characters.

When finding something a little tricky, Kitty is becoming more resilient at working to find a solution; this is seen mostly in her work with fractions – she's an expert now – particularly if cake, chocolate or pizzas are involved!

As Kitty's confidence grows, she is fast developing a cracking sense of humour which she is happy to share with her class and teachers. She has had all of the adults in Leopard class in stitches with her quick wit and amazing facial expressions.

As well as Kitty's brilliant application of growth mindset in Maths and English, she has also impressed us with her determination and focus in other subjects – in particular her 'fantastique' flair for French! We were thrilled to see Kitty volunteer to get up on stage in a recent visiting production of Macbeth and it was wonderful to see her enjoying the limelight.

We are all extremely proud of Kitty and we look forward to seeing how far she continues to challenge herself for the rest of the school year and beyond!

Signed - Miss Jones
