

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Scarlett

## Dolphin Class

I am so excited to be giving Scarlett the excellence award for Dolphin Class this term. She has worked continuously hard, particularly in her writing and is nearly always wearing a big smile! She has many friends in class, and likes to do the right thing.

Scarlett continuously puts her best effort into producing a piece of work that she is proud of. Although she does not always find writing easy, she is always eager to do her special job and sometimes surprises herself in what she is capable of. Her writing is consistently improving because of this. She has also worked hard in mathematics, and is consistently shining, tackling any challenge that we ask of her. She particularly excelled when writing numbers on the face of a clock. Her numbers were clear and accurate!

During carpet time Scarlett is often seen doing the right thing, and she enjoys participating in class discussions. She negotiates working in small groups particularly well, and is often immersed in role play with her friends. She is never involved in conflict and likes to make those around her smile!

Mrs Wildish and Mrs Sutton would also like to note how proud they are to have seen Scarlett's confidence grow since her first days in school. We all share a fond memory of Scarlett teaching me the 'days of the week' song back in April when I first joined Ryarsh. They couldn't believe it was the same girl from September!

We are all in agreement that it is a pleasure to teach Scarlett, and she is a sparkling example of what can be achieved if you persevere towards your goals.

Well done Scarlett!
