

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Luke

Leopard Class

This term, we have had a very easy decision in choosing a marvellous member of Leopard Class to award for being excellent!

Luke is a super person to have in class, he's always smiling and we can always count on him to make us laugh! All the adults in school comment upon his great manners and look forward to their conversations with Luke each day... the more obscure the better!

In the classroom, Luke demonstrates fantastic growth mindset and will always persevere, even if the task may be a little tricky. Luke has shown these skills during our time in forest school and at Bushcraft too; he had a huge smile at all times and loved exploring the outdoors. Playing predator and attempting to camouflage himself without a tree to hide behind was very entertaining for the tribe leaders!

Luke always has superbly creative ideas and executes these to the best of his ability. He is not afraid to ask for help if it is needed and will always strive to make his work the best that it can be.

Luke is wonderfully kind and considerate with all of the children in class and the younger children in school, he is the first to notice if anyone needs help and always knows what to do; he displays the school values at all times, this being a perfect example.

Luke was super, super excited to get to the year 5 golden summit, he worked so hard! We look forward to him passing and achieving the elusive golden star soon!

Signed - Miss Jones
