

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Lola

## Penguin Class

This term's pick for the Ryarsh Award for Excellence for Penguin Class was an easy choice for all of us. We chose Lola for many reasons as our well deserved winner.

She has wowed us recently with her amazing writing in our English lessons. Her use of vocabulary for description and her sentence construction is fabulous and it's always a joy to hear her ideas and to read her writing. Her information writing was really well organised and she wrote a lovely diary entry in the character of Katie Morag. Lola's presentation is always beautiful and she was soooo proud to recently earn her pen licence—now her work looks better than ever!

In addition to fantastic English, we have been impressed with Lola's positive attitude to her learning in Maths. She took a while to get going on her times tables but has persevered and has made great progress. She is conscientious and always puts 100% into her learning. She is not shy to ask for help if she needs it and will have a good go at problem solving.

In PE, Mrs Whittall commented on the high standard of Lola's Scottish dancing. Her art work reflects an excellent level of care and attention to detail. She is also a super class member with a sunny disposition and a willingness to help whenever she can.

Congratulations, Lola, on all your hard work in Penguin Class so far—we can't wait to see what you produce in Term 6—we're all very proud of you!
