

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Phoebe

Lion Class

I am absolutely delighted to be giving our excellence award to Phoebe. Phoebe has been a superstar since day one, she came into Lion class a little quiet and reserved and the transformation has been immense! I can only describe her as a flower in real bloom! She is now willing to share her ideas with friends, offer support if anyone needs it and always comes into school with a big smile on her face which always brightens up our day. For this Phoebe, I can only say thank you!

Phoebe has worked tremendously hard all year in all subjects to improve her work and be the best she can be. Phoebe has developed resilience and always takes on board feedback given to her. She is now working much more independently and we have been blown away with all areas of her learning. Her recent Topic work was outstanding; she always tries hard no matter how tricky she finds it or what the lesson is. It has become a real pleasure to read Phoebe's writing and I know it will only continue to improve. The presentation is always completed to such a high standard. I know Phoebe is equally proud of her work and perseverance as her smile tells us all.

In Maths, Phoebe has really worked hard and listened throughout, not only this term but also the year as a whole. She even asked for a special book so she could practise at home. She often asks for extra learning and will complete it and share it with us. This clearly shows how much Phoebe cares for her learning. Her understanding of concepts has really developed and she always listens so well. She now gives it a go and works with such confidence.

Within the class Phoebe is a pleasure to be around. She is helpful, extremely polite, caring and supportive. She really is a lovely friend to all. Well done Phoebe for winning this award, it is my pleasure to teach you and I know you will continue to excel in Term 6.

Keep shining superstar!

Signed - Miss Snow
