RYARSH AWARD FOR EXCELLENCE

Alice

Seahorse Class

The winner of the Term 6 Excellence award was always going to be a tough one, purely because Seahorse Class have all worked so incredibly hard. But when Mrs Eames and I were thinking about it, there was one person who stood out, one person who does not go a single day without bringing sunshine and loveliness to our class. This terms winner is somebody whose dedication, commitment and superb attitude towards school life really is outstanding.

Every morning Alice greets us with a lovely smile and does not stop smiling until the end of the day. Alice always puts 100% into all of her learning, and will always embrace a challenge, even commenting, 'That one really made me think, I could feel my brain working!' She is always so keen to develop new skills and learn something new, and this quality has meant she has learned so much throughout the year. Even when things are quite tricky, Alice will not give up and thinks very carefully about how to tackle a problem. Most recently, in forest school, Alice was so proud of climbing a tree for the very first time!

Alice takes such pride in her learning too, meaning her work is always so beautifully presented and she goes that little bit further by adding her little Alice touch of beautiful illustrations. There has not been a topic, a lesson or a day where I have not seen Alice flourish and get completely involved in her learning, what an achievement!

Not only is Alice a super learner, she is also so incredibly kind, even her name means kindness and she showcases it everyday. Alice can often be found helping out and supporting other Seahorses in their learning and takes such good care of her friends. Her beautiful manners are never forgotten and something I know she is particularly proud of too. Alice can always be counted on to make the right decisions and is such a sensible and mature Seahorse, she is always willing to lend a hand to the adults as well as her friends.

Alice, you have been such a superb Seahorse. You really do show your Ryarsh School values everyday and you are an absolute pleasure to be around. I know Mrs Eames and I will certainly miss chatting with you, laughing with you, seeing you grow in your learning everyday and of course your hugs! Keep up your wonderfulness as you move into Year 2 and best of luck! You are a SUPERSTAR!
