

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Hannah

Lion Class

We are extremely excited to be giving our final Excellence Award to a girl who has worked tremendously hard in all areas of her learning this year. Hannah is extremely deserving of this award and this term I have been blown away with her writing.

Hannah always puts 100% effort into her work, she has a brilliant growth mindset and loves a challenge. The minute she steps into our class, she has an eager smile waiting for her early morning Maths work! Maths is clearly her favourite and she really does shine in her natural flair for this subject. However, I am thrilled to say, that Hannah really has pushed herself in her writing this term. She is an able writer and this is evident in her recent work. She takes pride in all of her work and her work is a pleasure to read. There is one area of which I am bursting with pride, and that is her reading. This may not be her favourite lesson, however over the course of the year, she has worked on her reading and comprehension skills and she has developed such a good and in-depth understanding of the text!

Hannah is an extremely kind and thoughtful member of the class. She is thoughtful towards others and is the first to offer to play with or help someone who may be feeling sad or lonely. She has made a lovely group of friends and it is wonderful to see her making strong relationships with others. I often see her giggling with her friends, offering support and advice and generally being a superstar to others!

I can always rely on Hannah helping in a sensible manner. She has impeccable manners and has such a caring and nurturing personality.

Thank-you Hannah for being an absolute SUPERSTAR and making our year so fabulous. You are a pleasure to teach and have in our class. I have loved hearing all about your animals and your science knowledge is incredible too! I think we have a vet in the making!

I would also like to comment on your dedication and hard work in our gardening club. You are a hard worker, never give up and just get stuck in....just like how you are in our learning!

Well done Hannah, your smiles and giggles are infectious! Good luck in Year 4 and do not be a stranger!
