

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Noah

Orang-utan Class

This term's Excellence Award goes to a member of Orang-utan Class who brings energy and enthusiasm to us every day.

Noah has worked incredibly hard in all lessons and ALWAYS contributes his ideas to discussions, debates and learning. His positive attitude has a great influence on the rest of the class – he clearly enjoys learning and always has a smile. Noah's hard work has really paid off – he has a great Growth Mindset and has made great progress.

In the classroom and around school Noah is a fantastic role model to others, this is because of his exemplary behaviour, great manners and kind and caring nature. He is a great buddy and friend to the younger children in the school- they all look up to him! In class he is often nominated for our Class Mate of the Week, this is because he is well thought of by Orang-utan Class.

When representing Ryarsh during sporting events Noah is always a great ambassador for the school, he is a super sportsman who has a real sense of fair play. Noah brings positivity, happiness and smiles to Ryarsh School – not many children will end the day singing an 80s classic song with their teacher, he thoroughly deserves this Excellence Award.
