

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Amelia

## Orang-utan Class

The final Excellence Award in Orang-utan Class goes to a young lady who is exceptionally kind, hard-working, funny and conscientious, and brings a ray of sunshine to each and every day in the pod.

Amelia works extremely hard in all lessons; she constantly puts 100% into her learning and will always think that little bit deeper. When Amelia is working on complex tasks and problem solving activities she will persevere in order to deepen her understanding and come up with ideas, suggestions and conclusions. Giving up is not in Amelia's mind-set – in fact she has a brilliant Growth Mindset which makes her a great role model to others.

During the class trip to Bawdsey Manor Amelia was a fantastic ambassador for Ryarsh School and a valued member of the group. She embarked on all activities with enthusiasm and determination, whilst being a fantastic and supportive friend to others; even the nasty insect bites she endured could not dampen her spirits!

Amelia is also a fantastic role model to have in and around school; her behaviour is always exemplary, she is always kind and caring to all members of the school community - her smile brightens the corridors, playground and at Extended Schools! She has been a great buddy this year and is popular with many younger members of the school community.

Along with all of Ryarsh School I wish Amelia every success and happiness in her future – you will be missed Amelia but how you have inspired others and the memories you have made with other members of the school will remain.

Keep smiling and spreading sunshine wherever your path in life takes you.
