## RYARSH AWARD FOR EXCELLENCE

# Tristan

## Leopard Class

Our final leopard class excellence award of the year was an absolute pleasure for myself, Mrs Taplin and Miss Lucas to decide unanimously upon. Tristan has so many super qualities which make him a fantastically worthy winner.

On our classroom door, there are many words which we feel describe our class well. Tristan embodies these qualities perfectly; caring, happy, benevolent to name just a few.

Tristan is a delightfully sensible yet witty member of our class. He will always know exactly what the adults in the room are thinking and has a wonderful, dry sense of humour, which keeps us entertained daily.

Tristan will always challenge himself; especially in maths. We are yet to find a maths challenge that he cannot complete! Tristan will never check anything on a calculator, preferring to use his own internal calculator at all times!

In class, Tristan is always willing to offer his expertise to others; never just giving answers but teaching others how to get to where they need to be in a calm and considerate manner. In the words of Black Widow and Captain America – “How do we do this?” “As a team!”

Tristan has really stepped out of his comfort zone this year; he doesn't like the spotlight but has pushed himself to contribute in drama opportunities which he has excelled at.

Like a leopard, Tristan is a powerful force to be reckoned with. He is confident within himself and encourages others to be so too. This has been seen when we have spent time with our year one buddies; he has been a fantastic buddy this year and I have no doubt that he will continue to be inspirational to his new dolphin buddy in September.

It has been wonderful to have Tristan in leopard class this year, I will most certainly miss the daily references to anything Avengers related!

Tristan should be very proud of himself and I'm sure the rest of leopard class would agree, he is truly an excellent member of our class.
