

## Ryarsh Primary School PE and Sport Premium Funding

The PE and Sport Premium is a government-funded payment aimed at improving and increasing the provision of PE in schools across the country. In 2017/18, schools received £16000 plus £10 per child between Year 1 and Year 6 to make additional and sustainable improvements to the quality of PE and sport we offer.

**We measure our improvement in PE and Sport against the following five key indicators:**

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

4. broader experience of a range of sports and activities offered to all pupils	Offer an increased breadth of extra-curricular activities Develop range of clubs offered to children by external services.	Sports Coach delivered new sports in extra-curricular clubs. (KS1 and 2)  Musical theatre club provided for FS/KS1 children.	£617 for musical theatre.  Other clubs offered by school staff and sports coaches.	Participation levels in extra-curricular clubs are extremely high and have increased from the previous year (see section above). Certain clubs including archery, musical theatre, basketball and dodgeball have been successful at increasing overall participation levels by appealing to children who do not already attend other sports clubs.  See Appendix for list of extra-curricular clubs offered.	Monitor participation levels, including for Pupil Premium and SEN children, and offer new clubs each term.						
1. the engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles	Improve outdoor learning environment for use in PE and physical activity	All children attended Forest School sessions on the school site and have access to woodland areas during playtimes and lunchtimes.	£3,113 for Forest Schools	All children benefited from increased amounts of outdoor learning within curriculum time, developing physical agility, skill and stamina whilst exploring in a social setting. Children’s feedback was that they enjoyed being more active in the natural outdoor environment, both within Forest School sessions and playtimes and lunchtimes.	Offer longer series of Forest Schools sessions for selected year groups during 2018/18. Maintain woodland areas for use throughout playtimes and lunchtimes.						
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Increase numbers attending sports competitions/ games/matches	PE TA employed to oversee administration and supervision of children at sports competitions. Pay for entry fees to send	£599 for PE TA and entry fees  PE events also attended/ run by our Sports Coaches. 5. increased participation in competitive sport		groups and teams to tournaments.  PE TA ensured that PE board is always up to date with celebration of our most recent PE events.		More children now have the opportunity to take part in competitive inter-school sports events, including football, netball, cricket, multi-skills, table tennis, korfbal and cross-country. Opportunities are available across all year groups from Year 1 to Year 6. The use of our PE TA to organise, supervise and support children attending events has been a key factor in our success in this area.	
1. the engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles  4. broader experience of a range of sports and activities offered to all pupils	Purchase new PE equipment to develop the range of sporting activities we can offer	Range of equipment and resources purchased including:  Maths of the Day resource, solar stopwatch for playground, PE equipment for Foundation Stage	£4688 all resources	Children in Years 1-6 made use of the Maths of the Day resource to increase activity levels within their Maths lessons. Children in the Foundation Stage have a greater range of physical development resources to use in their outside area. Other resources are used to keep children active at playtimes and lunchtimes and participate fully in PE sessions.	Sports coaches, PE TA and all teaching staff to review resources and storage available for PE equipment. Ensure that PE resources are available during major building works taking place in 2018/19. Plan for long-lasting high-quality PE provision in the new school hall and on the new school playground from 2019.
3. increased confidence, knowledge and skills of all staff in	Improve CPD for PE leader	PE conference attended and additional release time for PE leader	£1007	PE leader able to use best practice from the local authority and other schools to inform our PE provision.
