

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Charlotte

## Lion Class

Lion Class are so super-duper that you need to be extra-specially excellent to be chosen for the Excellence Award! Charlotte is exactly that, she has continued to impress us all from the start of Year 3. Charlotte embodies all the Ryarsh values and is a star to have in the classroom.

She is conscientious and hard working. She will persevere with a task and enjoys challenging herself with new learning. The work in her books looks fabulous and she should be really proud of what she has done so far. Her Maths is neat and methodical and she is careful to check her calculations and record all her thinking when problem solving. Her English is full of fantastic ideas and she makes effective use of descriptive vocabulary. Miss Snow was so impressed with Charlotte's Autumn poem that she took an example to show Year 2!

Charlotte is incredibly helpful to have around, always volunteering for jobs and helping to keep us all organised. She is always keen to offer answers or share ideas in discussion. She is helpful to others too and co-operates well as part of a learning group. She always manages to remain focused on her learning and every piece reflects her best efforts.

Congratulations of the first Excellence Award of Year 3, Charlotte! You have done a superb job so far and I know how much all the adults in Lion Class enjoy working with you. Keep up your super-duper effort and know that we are all extremely proud of you.
