

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Eva

## Penguin Class

When thinking of a worthy winner for our excellence award this term, Mrs Jennings and I both agreed that Eva thoroughly deserved it. We have been absolutely blown away with her positive attitude, growth mindset and determination in her learning.

Eva works incredibly hard in all areas of the curriculum. She takes a great deal of pride in her work and always goes above and beyond what is expected of her. She listens on the carpet beautifully and contributes to class discussions well. She works incredibly hard to be the best she possibly can (which is a true superstar), and her work is amazing in all aspects of her learning. She doesn't stop there though, she takes feedback on board and uses this to make her work even better. I have been absolutely blown away with her beautiful pieces of writing and she has been awarded her handwriting pen licence already. Whenever I see her name appear on top of my marking pile, I smile as I know it will be an absolute pleasure to read and I will not want it to end!

Eva is an extremely kind and thoughtful member of the class. She is a lovely friend to others and is very supportive during learning time and play time. She has impeccable manners and always demonstrates the Ryarsh values.

Eva is extremely helpful and is the first to offer to help with jobs in the classroom, we can always rely on her to carry out jobs in such a sensible and responsible manner. She often knows what needs to be done before I even ask!

Thank-you Eva for being an absolute superstar. You are a pleasure to teach and have in our class. You are a ray of sunshine and brighten up our day! You are an incredible role model in our class and we are very lucky to have you.

Well done Eva, we are so proud of you and your achievements so far! Keep shining.

Well done :-)
