

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

William

Dolphin Class

The time has come for our first excellent dolphin of the year to be awarded for being super excellent! Mrs Wildish and I, when thinking of the recipient, instantly had the same name in mind.

William has settled into dolphin life exceedingly well. He comes into school every day with a big smile, a good morning and a big wave for the both of us.

William has shown us and the class what an amazing artist he is. From the very first day, he has been creating magnificent pieces of art that leave his classmates and teachers in awe! A highlight for us all was William's very creatively made golf club, which he tested at school and at home.

His recent illustration of the Gruffalo and the mouse eating its nut were so amazing, they inspired our storytelling and songs to be shared with our buddies.

William is also a super(rock)star writer. He is always very proud of his writing and phonics and each day, will be one of our superstar phonics helpers; a role in which he shines.

Each day, William shows us how kind and caring he can be. If anyone needs help, William is the first to offer. If anyone needs cheering up, he is there!

William has a fantastic sense of humour and will often have myself and Mrs Wildish laughing at his weird and wonderful tales.

William, it is an absolute pleasure to have you as part of our dolphin class, we can't wait to see how you continue to shine throughout the year... and beyond!

Signed - Class teacher
