RYARSH AWARD FOR EXCELLENCE

Finlay

Orang-utan Class

Choosing a winner for the Term 1 Excellence Award winner was always going to be a tricky one, purely because of the fantastic start to year 6 Orang-utan class have had. However, when Mrs Taplin, Miss Lucas and I sat down to have think about a worthy winner, we all agreed unanimously! Our winner has, without a doubt, continued to impress throughout the term.

Fin has had such an incredible start to Year 6 and has fully embraced the new roles, responsibilities, expectations and learning opportunities that come with the year group. There is very rarely a lesson, where Fin can not be seen with his head down completely engrossed in his learning so enthusiastic to demonstrate his understanding. He loves a challenge and has really developed his growth mind set throughout the term; Fin will always give it a go and he now never gives up, even when it is a particularly tricky challenge. One thing that has also particularly impressed us, is the quality and detail Fin is adding to his writing, it is always such a pleasure to read and it is clear how much effort he is putting in. We very often see Fin celebrating his achievements with the Fin 'dab!'

Fin isn't just a great learner; he is also a great friend. Fin hates to see people unhappy and will do everything he can to cheer them up. He is proving to be a great model to others, particularly embracing his role as buddy. Fin is also a very valued member of the football team, demonstrating great sportsmanship qualities!

It has also been noticed, how hard Fin has tried this term to demonstrate all of his Ryarsh School Values. Fin is mature, sensible, responsible, kind and so well mannered! Not to mention his fantastic sense of humour and great personality too! He makes us laugh, he works hard, he is a great friend, a super learner and a very worthy winner of this Excellence Award! We are very proud of you Fin, keep up the hard work.
