

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Louie

## Koala Class

Choosing someone for the excellence award for this term was a very difficult decision as so many children have made such a fantastic start to year four. However, all adults in Koala class agreed that there was one person who had really given his all at the start of the new year, and it is with great pleasure that we award our excellence award to Louie.

Louie has truly made a wonderful start to the year. This has been down to a number of reasons but what really stands out is his work ethic. Since the very first day, we have been so incredibly impressed by the way that Louie gives his very best during each lesson. As a result, he has displayed excellent listening skills which has helped him become more independent and produce some excellent learning. Louie seems increasingly engaged in his learning and is now taking more and more responsibility, especially when the learning gets a little bit tricky. In these moments, Louie is able to understand that failure is part of learning. He always keeps his cool and seeks help to overcome any difficulty he may be having. He listens to adults and peers brilliantly to then make any improvements he needs to. Louie is able to do this so well because he builds very respectful relationships with all his peers. Due to this, he is a very popular member of the class and other children enjoy working with him.

We know that Louie is a keen sportsperson but it has been really great to see him begin to make excellent progress in other areas of his learning. He has really impressed us in mathematics this term, especially in his use of number. It has been also really pleasing to see the way he is beginning to enjoy reading more stories at home and in school. Keep it up Louie!

Not a day passes without Louie greeting us with a big smile on his face, ready and focussed for the day ahead. We are sure that he will continue to be excellent this year. Thank you for being such a pleasure to teach!
