

Ryarsh Primary School

## RYARSH AWARD FOR EXCELLENCE

# Megan

## Leopard Class

It has been a real pleasure to get to know Megan in term 1; she is growing in confidence all of the time - she is really blossoming!

Although a quieter member of Leopard Class, Megan brings a little sunshine to each and every day; she has a calm aura around her that can ripple out to capture others! Each day I can see how Megan is growing in confidence during her learning in the classroom and in PE sessions (she has really begun to show some great determination and skills in rugby lessons – and looks like she is having a great time! This makes her a valued member of any team that she is a part of).

Megan has worked really hard in all other areas of the curriculum; her written work has developed some flair and excellence. Again, a dash of extra confidence has enabled this to happen. The story that she created based on her mythical creature was fantastic! During maths learning Megan will persevere in order to develop an understanding of new and revised work; never stopping with 'that'll do' but persevering to 'I can do it!' and 'I'm proud of it'.

During lessons and around the school, Megan displays all of the school values – this means that she is a great role model to others; she is polite, kind, a good friend to others and caring to all members of the school community.

Keep up the hard work and positive attitude Megan – you are a pleasure to have as part of Leopard Class and Ryarsh School. I look forward to seeing how you continue to grow and blossom throughout the year.
