

# Leopard Class Newsletter

**Autumn Term 2 2018**

Term 2 already! The children have made an excellent start to Year 5 and have worked hard on their learning. Leopard Class were also great role models when supporting younger children during our Harvest Festival.

Thank you for all your support at this point in the year, especially with reading and home learning!

Many children are making their way through our reading rainbow, we are also enjoying a range of class books which are in the 'Box of 6'.

## Curriculum

We have really enjoyed reading a range of Greek myths and creating different elements of the stories, eventually leading to writing our own Greek myth... the results were fantastic!

Next term, we will be using our science topic of 'Earth and Space' to create a variety of non – fiction texts.

Topic	Ancient Greece Modern day v Ancient Greece
Science	Earth and Space/ Gravity
RE	Values in 21 <sup>st</sup> century
DT	How will your beast open its mouth?
Computing	We are artists – tessellation
PE	Team Theme – Hockey Netball
Music	Bells Ring Out
PSHCE	Feelings and Emotions

Our first Parent Consultations are on 6<sup>th</sup> and 8<sup>th</sup> November 2018.  
I look forward to meeting some of you properly!

Mrs Hale and the Leopard class team
