Arika

Penguin Class

It is a real delight to have Arika in our class. She is a quiet but confident member in our class who is always cheerful, helpful and a joy to have around. She will always help other people, whether that be another child or an adult. She is extremely kind and really cares for others.

Arika listens carefully in lessons and always tries her absolute best. In Maths, she listens carefully to new things being taught and tries hard to work through things - never giving up. She recently wowed us all with her work on division, which can be quite tricky in Year 2. She practises her times tables and has passed her 10s, 2s, 5s and mega mix in just four weeks!

Her writing has continued to improve and she is now writing at greater length and recently started to write in pen which she was VERY happy about. I must also mention her wonderful role in our nativity. Her speaking was extremely clear and well-rehearsed.

Arika always has a 'growth mindset', never giving up when things get tough and always giving new things a try.

We are very proud of Arika's achievements and know that she will continue to do really well. What an amazing term you've had and continue to keep our classroom full of smiles and sparkle!

Arika, you are an absolute pleasure to have in Penguin Class and we are very lucky to have you. Have a wonderful Christmas break and we look forward to more fantastic work in the New Year.
