

Ryarsh Primary School

RYARSH AWARD FOR EXCELLENCE

Henry

Orang-utan Class

It is with pure delight that Mrs Taplin, Miss Lucas and I award Henry with the Excellence Award this term. When we started to think about a worthy recipient, Henry's name was mentioned and was met with a unanimous YES and followed by, what an absolute delight he has been this term.

Throughout term 2, Henry has been striving to showcase excellence in all of his learning; he is taking pride in his achievements and certainly persevering with tricky challenges. Henry has been working on his handwriting and presenting his work beautifully, his writing has become a pleasure to read! Henry has always enjoyed maths but has been so self motivated this past term to challenge himself and master new concepts. It has been so wonderful to watch him grow in confidence and blossom into such an eager, dedicated learner.

But, what has been most outstanding for Henry, this term. has been his determination and commitment to becoming an always child, and always trying to promote every single one of the Ryarsh values! Henry is always trying to make the right choices, he is always using his beautiful manners, he is always trying his hardest, he is an independent, confident learner, Henry does have great relationships both with his peers and the adults within the school. All of the adults in the classroom have commented what a delight it is to chat with Henry. Henry's great big smile, jokes, laughter and humour brighten our day.

So at the end of a very busy, very lovely term, it is with great pleasure that we end with celebrating Henry and all of his achievements this term. Even when it is tricky, you have been trying and we could not be more proud of how far you have come in two terms. Well done Henry!
